

Think & Feel?

I can't keep track of my expenses.

I track my expenses daily in an application

I want to manage finance efficiently.

See?

They are managing thier finance efficiently.

They can buy things that they want.

Download some finance tracker applications.

Forgot to add expenses in the application.

Say & Do?

Searches "How to manage personal finances".

Hear?

They keep track of their expenses in an application.

Their income is lesser than him.
